2017 Entry Packages

To fully experience the unique Croc2Croc offering, the following entry packages have been structured to ensure riders, families and (corporate or social) groups can participate and enjoy *Xtreme MTB Pleasure*:

ROUTES	DISTANCE	ELEVATION	ENTRY FEE (RIDERS)	ENTRY FEE (SUPPORTER)
Cruiz Croc	105 km	2,000 m	R4,950 / rider	R2,950 / supporter (sharing with rider)
Mild Croc	150 km	3,000 m	R5,450 / rider	
Wild Croc	180 km	3,600 m	R5,950 / rider	
Crazee Croc	210 km	4,400 m	R6,450 / rider	

Terms & Conditions:

- (i) **Standard Package:** 3 nights on-suite luxury accommodation, all meals & other event benefits (applicable to all 4 event distances).
- (ii) **Supporter Package:** 3 nights on-suite luxury accommodation sharing with a rider, all meals & other event benefits.
- (iii) **Day Rider Package:** A limited number of day rider packages will be available for Verlorenkloof Croft owners, landowners and local riders - own accommodation but all meals & other event benefits are included.*
- (iv) **Junior Riders (14-18 yrs):** A limited number of entries will be available for riders born before 1999 - own accommodation but all meals & other event benefits are included. These are applicable to the *Cruiz Croc* and *Mild Croc* routes only.*

(* Enquire directly with Verlorenkloof on availability and costs)

Event Program

Croc2Croc@Verlorenkloof

Registration: Registration is on Friday at Verlorenkloof Lodge, starting at 09:00. Riders can change into cycling gear at the lodge. The Stage 1 briefing takes place at 12:30.

Check-in: Check-in into the crofts at Verlorenkloof is on Friday afternoon from 14:00 onwards.

Closing Ceremony: Buffet lunch is served on Sunday from 13:00 and prize giving takes place at 14:30.

Day 1: Riders have a group start at 13:00 taking on the foothills and river tracks around Verlorenkloof during a 35 km stage. A challenging ascent from the Start leads riders into the Donkerhoek valley before hitting gold... more than 10 kays of Crocodile River single track – all downhill. Next the foothills...

Day 2: Crocs will have an early start together in seeded blocks. These routes will follow the tracks to the Lunsklip valley and there after cross into the Forelmond, Forest Creek and Coromandel valleys. Day 2 will again be a long day in the saddle, for some a very long day...

Day 3: Riders will start in seeded blocks with Mild, Wild and Crazee Crocs paying a visit to the Highlands. They will pass through Wagenbietjieshoek before the Dullies Drop on the way home will yet again be a welcome sight to riders.

Route Options

Croc2Croc@Verlorenkloof

Cruiz Croc Route

The routes are doable for anybody irrespective of age or fitness levels – however, it is not a flat route and Stage 1 will take Cruiz Crocs to the limit... Stage 2 and 3 will be lots of fun and will be almost exclusively on single track!

Mild Croc Route

The *Mild Croc* route has been designed for MTBers that have been contemplating for too long about entering their first stage event – it is not *too* technical, not *too* far or *too* short, and definitely not *too* easy...

Wild Croc Route

The *Wild Croc* route will be 'wild' but fit riders should not fear anything... It will share all the Mild Croc tracks but visits more of the beautiful valleys and gorges in the Kwena basin. The Lunsklip single tracks and the Kwena Monster with the Coromandel single track downhill are optional for Wild Crocs...

Craze Croc Route

The *Craze Croc* route is shared with the Wild Crocs, but the Xtreme Lunsklip Single Tracks and the Kwena Monster must be conquered during Stage 2 to qualify as a Craze Croc... This route is only for the very fit and skilled riders, and certainly not for the faint-hearted!

Route – Day 1

Foothills & Croc River

Cruise Croc - 35 km

Mild Croc - 35 km

Wild Croc - 35 km

Crazee Croc - 35 km

Route – Day 2

Mountain & Dam Stage

Cruise Croc - 35 km
